## Key of C

### Verse 1

Let Your presence be known among us  
Let Your Spirit move in our midst  
The only reason we worship  
Is to glorify Your Name

Let Your power be felt among us  
Let Your glory fill up this room  
Lord meet us here and dwell with us  
We long to worship You

### Pre-Chorus

Like a mighty wind that is rushing in  
Let Your Spirit move  
Rise up in us as we lift You up  
We worship You

### Chorus

Holy, holy  
No other Name shall ever be  
Lifted high as we praise  
Let our voice and hearts proclaim  
The Name of Jesus

### Verse 2

Let Your mercy be known among us  
Let Your wonders and signs on earth  
All declare the grace of Jesus  
For those who call His Name

Let Your power be felt among us  
Let Your glory fill up this room  
Lord meet us here and dwell with us  
We long to worship You

May our lives glorify
